## **AUCTIONEERS REMARKS**

The auctioneers are favoured with this highly important sale on behalf of Bryan Banham who has decided to reduce the major portion of his prize winning ACLE STUD.

Mr Banham has established a fine stud of well bred shires and the sale includes some of the prize winning Mares and Stallions, and most are progeny of or are related to Bodernog Master.

Breeding Shires for 33 years most prolific breeder in the UK and with homebred stock has qualified for Horse of the Year Show every year for the last 30 years.

All of the horses are halter broken, foot trimmed and wormed.
