

DERBY LIVESTOCK MARKET
Thursday 28th April 2011**PRIME CATTLE - Auctioneer: Charles Hollis**

Top 25% of Bulls averaged 189.20p/kg, Top 25% of Steers averaged 168.17p/kg and Top 25% of Heifers averaged 166.20p/kg Overall average for the OTM section was 121.71p/kg.

Disappointing numbers forward due to the Royal Wedding Bank Holiday. It is unfortunate that they do not have to earn a living or they would appreciate those of us that do. I personally and a lot of others think it is out of order having it on a Friday when others want to earn a living.
