

DERBY LIVESTOCK MARKET
Thursday 18th August 2011**PRIME CATTLE - Auctioneer: Charles Hollis**

Extremely busy market, with a total of 1373 forward. Very disappointing numbers in the OTM and Prime Cattle sections. In view of the trade we have been experiencing I can only think of this being a transport issue.

Trade very buoyant: Top 25% OTMS avg 155.83p/Kg upto 168p/Kg overall top price was £1441, Overall average was 125.48p/Kg Some quality bulls forward but a large proportion of the others also. Top 25% avg 198.55p/Kg upto 206 & 205p/Kg

Ken Atkin sold 4 to average £1305p/h

Heifers – Again few decent beast but quality lacking. Harry James came himself but only purchased 2. Sold upto 213p/Kg and an entry from A&PD Boam made 206 & 200p/Kg for animals weighing 641 & 661. Top 25% avg 196.17p/Kg

Steers – Similar to the others in the Prime Cattle sections, lacking in quality, prices upto 197p/Kg, Top 25% avg 175.57p/Kg

Overall Highlight of the day was an entry of 100 Organic Stores from Bill Dilks, He takes a bit of satisfying but he was over the moon with the trade.

Cows**Top Prices per Kilo were:**
