

DERBY LIVESTOCK MARKET
Thursday 31st March 2011**PRIME CATTLE - Auctioneer: Charles Hollis**

The biggest and best market for a long time, 238 cattle forward in the meat section with a tremendous trade.

Top 25% of Bulls averaged 183.53p/kg, Heifers averaged 180.71p/kg, Steers averaged 165.29p/kg, and OTMS averaged 139.45p/kg. overall average was an amazing 120.63p/kg for the OTMS and 154.88p/kg for Prime Cattle.

In the current market position at Derby it reminds me of the Television Programme "The Chase" and I am pleased the lighter nights are here in order that other local markets can do some exercise to try and catch us.
